

# ROBERT DAVIES

## Conference speaker, interviewee, moderator

### **Robert Davies is the founder CEO of The Prince of Wales International Business Leaders Forum (IBLF).**

As a serial social entrepreneur in the non-profit sector, he has led IBLF activities since 1990 with global corporations promoting responsible business practices and partnerships for development in over 50 countries. As an effective communicator, Robert Davies is an experienced and stimulating keynote speaker, moderator and meeting chairman at national and international events around the world, and an accomplished TV and radio interviewee and panellist. He has chaired and moderated IBLF events in over 50 countries with HRH The Prince of Wales, CEOs and public, academic and community leaders. Meetings that he has moderated and chaired include events with the World Bank, United Nations, World Health Organisation, International Finance Corporation, World Economic Forum, International Labour Organisation, International Tourism Partnership, Global Alliance for Improved Nutrition and Milken Institute.

Robert Davies has spoken at many meetings and events including the World Bank, IFC, UN, WHO, WEF, Royal Institute for Economic Affairs, Conference Board, World Sports Forum, Jeddah Economic Forum, US Committee to Encourage Corporate Philanthropy, corporate management conferences, and has been a guest speaker at lunches and dinners. Recent speaking engagements have included the Africa Summit, International Sustainability Leadership Symposium, European Summit on CSR in the Food Industry, Youth Business China, Health Partnerships in Latin America, Milken Institute Global Conference, Clinton Global Initiative and the Russian Economic Forum. He is also a regular opinion writer, columnist and book contributor on issues of business and development, enterprise and global corporate citizenship.

The key issues addressed by Robert Davies in original speeches, talks and articles, drawing on his professional international experience of running one of the world's foremost business and development organisations have included business and development, corporate social

responsibility, technology and education, East/West relations, youth enterprise development, public/private partnership, business and health and international perspectives, security and business philanthropy.

Full profile, photo and selection of articles and talks are accessible on the IBLF website at [www.iblf.org](http://www.iblf.org)

Robert Davies Blog on corporate responsibility and development issues is at: [www.SeeingThePossibilities.com](http://www.SeeingThePossibilities.com)
